2. In order to provide the information required to present the DD/I position, it is requested that you submit the following information by the GOB on 25 November 1955. It should cover all Staff employees and Staff agents, vouchered and unvouchered, at headquarters and in the field using on-duty strength as of 31 October 1955.

a. A list of the major functions assigned to you in descending order of priority with an estimate of the number of personnel supporting each function, broken into Professional, Administrative and Clerical.

b. A statement of functions you would eliminate or curtail if a 10% reduction in personnel were imposed. Under functions curtailed, the number of personnel eliminated should be indicated.

c. A statement indicating any duplication of your functions occurring either within or without the Agency. Your views on the desirability of such duplication and recommendations for elimination where appropriate should be included giving careful consideration to the possibility of transferring the whole function to the duplicating, or another, facility.

25 YEAR  
RE-REVIEW

**SECRET**

d. A statement indicating functions or requirements now assigned which are beyond your present capacity to perform, with an indication of the number of additional personnel required to perform such functions.

e. A statement of the present savings in personnel obtained by you through the use of contracting procedures and external research projects. An estimate of the total savings in personnel that could be effected by maximum utilization of external projects should be included.

3. In view of the importance attached to this survey, it is requested that each Assistant Director cooperate to the maximum in developing the DD/I position.
